CLUB EXPECTATIONS

COVID-19 Safety Protocol: Our #1 Priority is the health, safety and well-being of our members, their families and our staff. We commit to protecting everyone participating at the Club from the spread of COVID-19.

To accomplish this, we will be enforcing certain and specific safety measures as prescribed by CDC and NYS DOH. Our Safety Plan will include daily wellness screenings, physical distancing, small groups, facial coverings, proper personal hygiene and enhanced disinfecting and sanitation.

All of our staff have participated in a comprehensive training that includes all safety measures in place for the after-school program and are looking forward to provide an engaging and exciting program this year!

Member Check-In: Every member must check in upon arrival and check out upon departure. Consistency and connectedness is important to our Club community.

Child Release: For a child's safety, the Club will only release a child to parent(s), legal guardian(s) or authorized adults. If the person picking up is listed on the child's membership application, but does not pick up the child regularly, a parent will notify the center verbally, in advance. Photo identification will be required if the adult does not pick up the child regularly or is unknown to the staff member releasing the child.

Walk Permission: Children in grades K – 5 must be escorted out of the building following our child release procedures.

Personal Belongings: The Club is not responsible for lost or stolen property.

Visitors: All adults who are not staff members are visitors required to sign in at the front desk. Once a visitor has signed in he/she will receive a visitor badge that must be worn at all times while on the premises.

Snack: Good nutrition is an important part of leading a healthy lifestyle. Each afternoon, the Club offers an afternoon snack.

Positive Discipline: Members must respect one another, staff, and property. Members are required to adhere to Club rules and to follow the direction of Club staff. Members who fail to conduct themselves with courtesy and respect may lose their membership privileges.

Child Illness: If a member is absent from school due to illness, he or she may not attend the Club that day. If a member becomes ill, the parent/guardian or contact listed on the membership form will be called and be required to pick up the sick child as soon as possible (within 90 minutes at most). A child must remain out of the Club until he/she is symptom free for 24 hours, unless a doctor's note is provided which states that the child is 1) not contagious and 2) can participate in programs with other children.

Technology: We do not allow the use of mobile phones or other personal technology for our Kindergarten through Grade 5. Children miss out on the physical, social and educational opportunities provided at the Club if they are distracted by mobile devices.

Late Pick Up Policy: Children must be picked up by 7:00 pm each day. Please call the site if you expect to be late. A late fee will be applied if a child is not picked up on time.
